

LGS Series

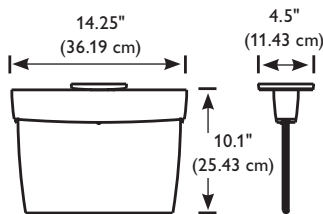

WHITE LED EDGE-LIT SPECIAL WORDING SIGNAGE

Page 1 of 2

LGSW1GE25

6" Surface Ceiling Mount

See LG Series for more dimensions and mounting examples.

Features

Illumination: Illumination of the LGS Series panel is accomplished with the use of high-brightness white LEDs in an optical array offering even illumination.

Housing: All housing components are premium die-cast aluminum construction.

A range of housing finishes are available (see Ordering Information below). A bar hanger bracket kit is standard for recessed applications.

Universal mounting configurations include recessed ceiling mount, surface ceiling mount, surface end mount and surface wall mount.

Operating Temperature

Range:

32°F (0°C) to 104°F (40°C)

Electronics: 120/277 VAC dual voltage input with surge protection is standard on all models.

Electrical Specifications:

AC Only:

(120 VAC) 0.084 A, 9.1 W,

PF 0.90

(277 VAC) 0.037 A, 9.3 W,

PF 0.90

Code Compliance

UL 48 and UL damp location listed. Meets ADA specifications for wall mounted lighting fixtures. IC rated.

Warranty

Three year full electronics warranty.
