

The R Series are decorative remote lighting fixtures that complement upscale interiors.

Complete Fixture consists of unit plus DC bayonet base lamps.

### How to Specify:

SERIES	VOLTAGE	WATTAGE	
R1	6 = 6V	6V	12V
R2	12 = 12V	6 = 6W	6 = 6W
R3		12 = 12W	13 = 13W
R4		18 = 18W	18 = 18W
R5		28 = 28W	44 = 44W

### Features

- R1:** Recessed square light that is suitable for indoor or outdoor applications. Rectangular, aluminum construction with a watertight, gasketed door and matte white trim. Glass diffuser drops below the ceiling line.
- R2:** Recessed step light design for step and walkway lighting. Low profile, rectangular design with a matte white finish.
- R3:** Recessed round ceiling light has an aluminum trim finished in matte white with steel backbox. Frensel lens flush with ceiling.
- R4:** Recessed miniature eyeball is constructed of a steel backbox with aluminum, matte white trim. Eyeball adjusts through arc of 32°.
- R5:** Steel enclosure with frosted glass lens
- Recommended battery source** is E3 or E4 Series less heads

IES Photometrics are not available for R Series.

Not U.L. Listed.

Note: Battery not included with fixture. A remote battery source required for remote operation.
